

Primary P4-7G Learning from Home Plan

Week Beginning: 11/01/2021

	Literacy	Numeracy	Topic/ Other
Monday	<p>Learning Intention: Understanding and using spelling rules.</p> <p>Activity: Using the English words found on Teams (GME 4-7 -> General -> Assignments). Write/ type them out 3 times. If you are unsure what the word means, use a dictionary! Then, using the words, make an imaginary story using the words.</p>	<p>Learning Intention: I can identify different types of angle.</p> <p>Activity: Try Daily 10 challenges (see link in Notes). Set your own level, but do not be shy of a challenge!</p> <ul style="list-style-type: none"> Click on the link 'Angles (Monday)' in the Notes. Watch the video, and complete the 'Worksheet' task on a sheet of paper/ jotter. 	<p>Learning Intention: Accessing Teams successfully.</p> <p>Activity: Go onto Teams and have a look around. Go onto 'New Class Chat' and reply to the message on it. 😊</p>
Tuesday	<p>Learning Intention: Writing a reflective piece of writing.</p> <p>Activity: Go into Assignments on the GME 4-7 group and click on the 'Reflective Writing' assignment. Write about what you did during the Christmas Break. The longer and more detailed the better!</p>	<p>Learning Intention: I can identify different types of angle.</p> <p>Activity: Try Daily 10 challenges. Set your own level, but do not be shy of a challenge!</p> <ul style="list-style-type: none"> Have a look to find examples of different angles around your house. Write down what the objects are, and what kind of angles they have. We can discuss this over the live lesson. 😊 	<p>Learning Intention: Making decisions about how we behave and act.</p> <p>Activity: New Year means New Year resolutions!! Think of two things you want to do this year. This can be something you want to experience or try, or behaviour (being kind, thoughtful, a good friend). Then think of something you want to try not to do and write it down and keep for tomorrow.</p>
Wednesday	<p>Learning Intention: Reading and understanding a text</p> <p>Activity: Find the Gaelic Reading assignment on Teams. Click on the link to access the Gaelic reading book. As you read, write down any words you did not know in the assignment document. We will come back to these during the live lesson on Thursday. 😊</p>	<p>Learning Intention: I can compare and order angles.</p> <p>Activity: Try Daily 10. Set your own level, but do not be shy of a challenge!</p> <ul style="list-style-type: none"> Click on the link in the Notes (Symmetry (Wednesday)). Watch the video and complete the questions on a piece of paper/ in a jotter. Send your answers to me over Teams. 	<p>Learning Intention: I can express in writing my hopes and fears.</p> <p>Activity: Thinking back to yesterday's task about New Year resolutions, you now need write a letter to yourself, to be opened in 2022! Write about what you hope will happen this year, and your feelings about things happening right now or any time during the coming year. Be honest with yourself and tell future you how you really feel!</p>

<p>Thursday</p>	<p>Learning Intention: Understanding and using spelling rules.</p> <p>Activity: Using the Gaelic words found on Teams (GME 4-7 -> General -> Assignments). Write/ type them out 3 times. If you do not know what a word means, use a dictionary (https://www.faclair.com)! Then using the words, make an imaginary story using the words.</p>	<p>Learning Intention: I can identify different types of angle.</p> <p>Activity: Try Daily 10 challenges. Set your own level, but do not be shy of a challenge!</p> <ul style="list-style-type: none"> • Complete work assigned on Education City. 	<p>Learning Intention: Creating somewhere to store the letter to my future self.</p> <p>Activity: Now we have a letter, let's make somewhere to keep it! This could be a handmade and decorated envelope or a decorated box to store it in. Once you have your letter and somewhere to store it, give it to someone at home to keep safe until next year!</p>
<p>Friday</p>	<p>Learning Intention: Identifying nouns within a piece of text.</p> <p>Activity: Choose a book, turn to page 10 and list all the nouns you can find on this page. Send a picture of your list with the name of your book and book's author on Teams.</p>	<p>Learning Intention: I am improving my fluency and speed of my mental maths skills.</p> <p>Activity: Try Daily 10 challenges. Set your own level, but do not be shy of a challenge!</p> <ul style="list-style-type: none"> • Complete the multiplication challenge on Sumdog. PLEASE do this challenge as it lets me see how you are doing with the times tables. 	<p>Learning Intention: Keeping fit and active.</p> <p>Activity: Use the Youtube weblink in Notes for a link to a Joe Wicks PE session.</p>
<p>Notes from the teacher</p>	<p>Daily 10 (Everyday) – https://www.topmarks.co.uk/maths-games/daily10 Angles (Monday) – https://classroom.thenational.academy/lessons/to-identify-and-recognise-angles-cgu6cc Symmetry (Wednesday) https://classroom.thenational.academy/lessons/shape-and-symmetry-to-compare-and-order-angles-c4wpcr Joe Wicks (Friday) – https://www.youtube.com/watch?v=BDigyoBrHms</p> <p>Hello everyone, and welcome back to home learning! This first week is a gentle introduction back into learning remotely. You will find in the coming weeks that there are a lot of similarities between the plan layouts. This is to keep the children in a routine similar to that found in the classroom. Consistency is key! We shall be discussing the daily work over the daily Teams 'lessons', so do not panic! If there are any problems, the children can contact me over Teams. Good luck everyone, we can do this!! 😊 Mr P</p>
