

# An Evacuee's Suitcase

You are about to be evacuated. What 12 items will you take with you? Remember that you will have to take clothes so there will not be a lot of room for "extras."

1. Draw the items in the suitcase.
2. List the items you are taking.
3. Write a sentence or sentences explaining why you are taking the item.

I have packed these items:			
1	2	3	4
5	6	7	8
9	10	11	12

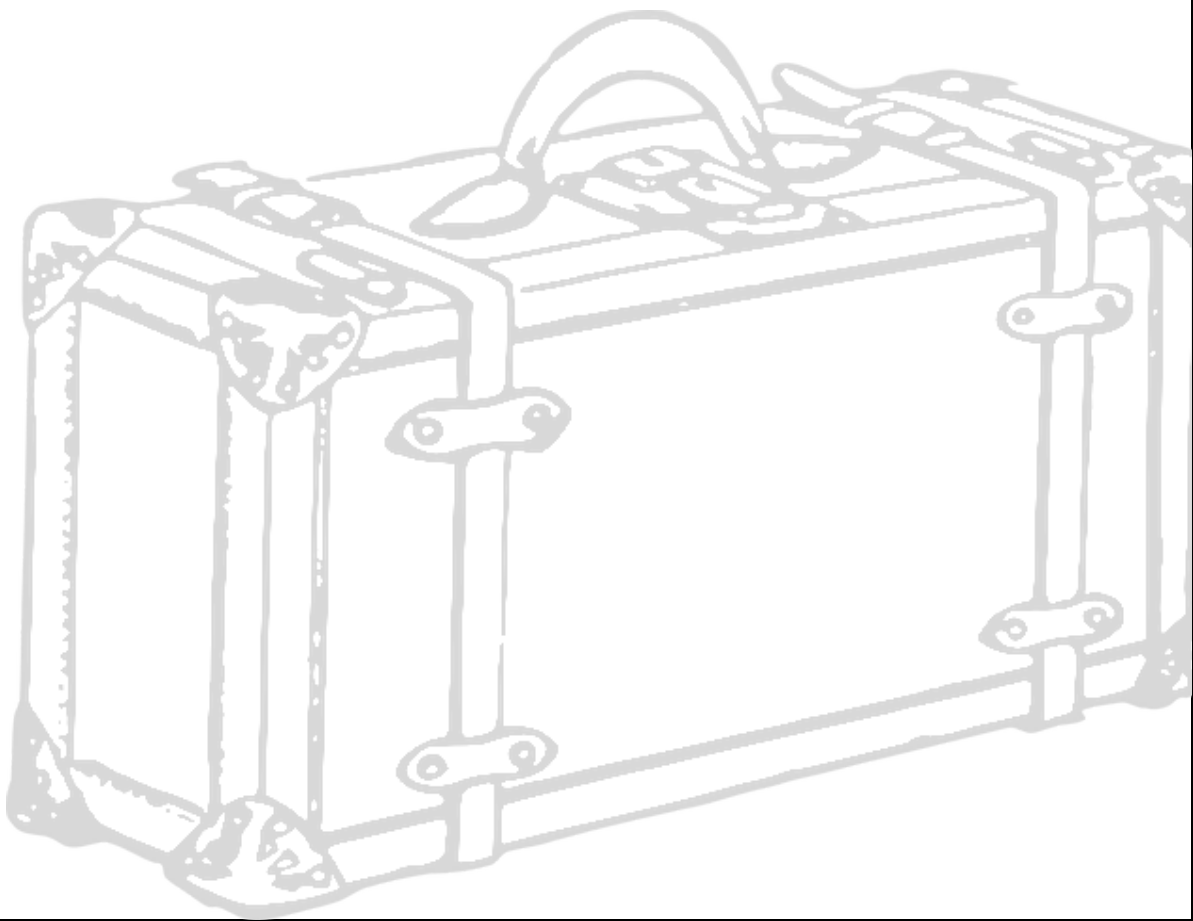

Write a sentence or sentences explaining what you are taking and why?
