

Nursery Learning from Home Plan

Week Beginning: 15/02/2021

	Literacy	Numeracy	Health & Wellbeing
What you need	<ul style="list-style-type: none"> Puppets – hand puppets, paper puppets, soft toys etc 	<ul style="list-style-type: none"> Nothing 	<ul style="list-style-type: none"> Different sized balls (e.g. golf ball, tennis ball, football, rugby ball) or objects to throw safely (bean bag, frisbee)
Activity	<p>Create and perform a puppet show for your family. Why not try some different funny voices! Make sure you speak loudly and clearly so everyone can hear your show.</p>	<p>Go outside for a scavenger hunt! Can you find:</p> <ul style="list-style-type: none"> 6 sticks 2 feathers 5 stones 3 green things 4 different leaves 	<p>In a safe space, practice throwing and catching with the different objects/balls you have chosen. Focus on under-arm throwing, and catching with 2 hands.</p>
Extension	<p>Try to act out a simple known story using puppets, e.g. the 3 little pigs, getting the parts of the story in the correct order</p>	<p>Arrange each category in order, e.g. longest to shortest stick, heaviest to lightest stone, biggest to smallest leaf.</p>	<p>Try standing a little further away from each other. Can you throw and catch while standing on one leg?</p>
Skills	<ul style="list-style-type: none"> Taking turns, understanding when to talk and when to listen Imagination and creativity Empathy – sharing the feelings of the characters 	<ul style="list-style-type: none"> Counting and 1:1 correspondence Observation skills Sorting and comparing objects 	<ul style="list-style-type: none"> Hand-eye coordination Gross motor skills – developing control Developing throwing accuracy
Examples Resources	<p>Some printable characters are available just under this plan. Print, colour and attach to lolly sticks or spoons for DIY puppets.</p>		

Nursery Learning from Home Plan

Week Beginning: 15/02/2021

	Dance	Developing the Young Workforce	Story
What you need	<ul style="list-style-type: none"> A piece of music you like 	<ul style="list-style-type: none"> Nothing 	<ul style="list-style-type: none"> An internet-enabled device to watch a video
Activity	<p>Make up a dance to the music, thinking about using all the different parts of your body. It would be great if you could film yourself and upload it to SeeSaw!</p>	<p>What do you want to do when you grow up? Draw a picture of you as a grown-up. Will you wear a uniform? Will you work outside or inside?</p>	<p>Listen to the story of Harry and the Bucketful of Dinosaurs (Listen to Mrs Hunter read as part of the school assembly this week)</p>
Extension	<p>Think about the tempo (speed) and rhythm of the music, and how it influenced the choice and speed of movements in your dance.</p>	<p>Think about what skills you might need to do the job you want to do. Will you need to work with computers, or tools? Work as part of a team? Do you know anyone who does the job you want to do?</p>	<p>Once you have listened to the story, have a go at carefully making a path between the dinosaurs and the buckets on the pencil control sheets. Colour them in carefully when you have finished.</p>
Skills	<ul style="list-style-type: none"> Spatial awareness Choice and creativity of movements Expressive and rhythmic movement 	<ul style="list-style-type: none"> Beginning to become aware of different skills needed for work Exploring different career options Discussing likes and dislikes 	<ul style="list-style-type: none"> Attention – listens with interest Fine motor control – improving finger grip and strength for early writing
Examples Resources	<p>https://freemusicarchive.org/genre/Kid-Friendly</p> <p>https://www.nhs.uk/change4life/activities/sports-and-activities/dancing</p>		

Notes from the teacher

ASSEMBLY: Some of the staff have put together an assembly which you may want to watch; you can see some teachers reading a story, and 'Something to Think About' from Mr Poole (more suited to older learners). There is also a photo showcase of some of the great learning taking place at home and in school. To watch the assembly click [here](#), or you can go to the remote learning section of the school website and the link is under primary learning.

LIVE SESSIONS: This week there will be two live sessions for nursery pupils. These will take place on **Tuesday** between **10.30am and 11.00am**, and **Thursday** between **2.00pm and 2.30pm**. These sessions will be informal drop-in sessions. You do not need to attend both sessions, but please try to come to one of them if you can. There is no expectation to stay for the full session. This week it would be great if you could bring your pets along to the sessions to meet your nursery friends!

The link for the live sessions is on SeeSaw, or [here](#).

SEESAW: You should now have received an email from the school office about using SeeSaw for home learning. If you haven't received this, please email breadalbane@pkc.gov.uk as soon as possible to receive your code. SeeSaw will be used extensively as both a learning platform and Learning Log, so please engage with this as soon as possible. If you have any problems setting up SeeSaw, need any information or technical help please contact the school office on 01887 822300. We may also be able to provide support if you do not have a device or internet access.

Some additional activity ideas are available on the school website [here](#), should you wish.

Have great fun learning this week!

Mrs Hunter & the nursery team 😊
