Notes from the teacher

- Please find attached a link to our Virtual Assembly this week. [Primary and Nursery Virtual Assembly - Breadalbane Academy](#)
- Please note as it is a short week, there will be no reading groups. However, your child should continue to read their own personal book and as you will note above, will have a chapter of Catscape to listen to.
- Please indicate on your child's work if you have given them a support during an activity, as this will let me plan their next steps.
- Your child is welcome to continue practising their times tables and other mathematical concepts through online sites, 'Hit the Button' is excellent for number bonds, doubling, halving, multiplication and division.

- I hope the children have a wonderful break and return refreshed on 15th February.
