Dear Parent/Carer

S4-6 Tracking Report

Please find enclosed the third tracking report for senior phase pupils. This report is designed to provide you with information on progress in all subject areas being studied. Within this report you will find ratings for effort, behaviour and homework engagement, in addition to target grades and working grades.

Working Grades

Working grades in reports usually give an indication of a pupils' predicted performance based on assessment evidence and progress within a course. As exams have been cancelled this year, the SQA have stated that teachers will use their professional judgement of learner evidence to determine provisional results as part of the SQA alternative certification model. Demonstrated attainment remains a key principle for awarding grades in 2021. As teachers currently have incomplete assessment evidence, the working grade in the tracking report will be based on demonstrated attainment to date. This working grade is not a provisional result as all assessment evidence has not been generated. This evidence will be gathered when we return to in-school learning.

Please refer to the descriptors below for target grade and working grade boundaries:

LEVEL	BAND / GRADE
National 4	6 = pass
	9 = fail / possible level change required
National 5 / Higher / Advanced Higher	1 or 2 = A
	3 or 4 = B
	5 or 6 = C
	7 = D
	8 = borderline fail
	9 = fail / possible level change required
