

# Nursery News

23rd April 2021

Belonging, Believing,  
Breadalbane Academy  
Aspiring, Achieving!

Before the Easter holidays, one of Marsali's cows had twin calves. She asked her friends in nursery to come up with some names for them. We had a discussion and came up with our favourite names, then voted. The winning names were Rosie and Floss!

Welcome to our first Breadalbane Nursery weekly newsletter. Newsletters will be emailed out on a Friday, highlighting the great work we are doing, and any information you may need for the following week.

If you have any queries, please call the school office on 01887 822300 and we will call you back.

We are all very excited as Miss Campbell will be going off soon to have a baby!

Her last day in nursery will be May 7th, and the new green group leader will be communicated as soon as possible.

Green group have been planting seeds, and finding out what they need to grow. They have also been tidying and preparing the garden and doing some planting outside.

Red group and blue group have been learning all about recycling this week. We had lots of fun doing a 'litter pick' in the nursery garden, sorting materials into recyclable and non-recyclables. We also had a walk to find some recycling bins, and found bins for cardboard and food waste.

## SeeSaw

We are still using SeeSaw to document all the great learning that is going on in nursery. If you haven't had your SeeSaw code from the school office yet, please let us know. If you're not sure how to use SeeSaw, or want a bit more information about this brilliant resource, please have a look at this video

## Sun Safety...and wellies!

As the weather gets better, please make sure you apply sunscreen before your child comes to nursery. Please also put sunscreen in their bag to top up in the afternoon (staff will help with this). But, just in case the rain comes on, please remember wellies and coats too!
