Dear Parent/Carer

### P7 Transition Update

Further to my last letter I am now in a position to let you know that our virtual programme will start as of next week. Your child will be able to log into the P7 team on GLOW and from there will be able to access the activities, information and videos being posted by Breadalbane Academy. Our plan is to post two activities a week until the end of term and this will allow P7 to meet with all the departments, the House Leaders and key staff such as the Support Team, Senior Management Team and school partners. I will make regular announcements on the team so that everyone knows what to expect.

Our primary colleagues have kindly offered to help out with some of these activities but please feel free to try these at home and to view the videos at your leisure. There is no timescale for completion of the activities, this is an opportunity for your child to get to know the staff, the work carried out in the departments and the school in general.

At the moment we are awaiting guidance on school visits and I will give you an update on this as soon as I can.

I do hope that you enjoy our virtual programme.

Yours faithfully

*K.A. Gatehouse*
