Dear Parent / Carer

Senior Tracking Reports

Last term we sent out communication notifying parents of a new system that has been launched at Breadalbane called ParentsPortal. This new system allows parents to view the following:

- teacher reports as soon as they are published
- your child's attendance record
- weekly class timetable
- school calendar

Senior Tracking Reports will be published on Friday 14th May, parents will then be able to access and view the reports through ParentsPortal. If you have not already linked to your child's account and would like to find out how to do so along with seeing what other advantages there are to using this new system, please click on the links below that will take you to the relevant pages on our website.
