## Lunches

Did you know that all children in nursery are entitled to a free school lunch every day? You don't need to apply or fill in any forms, your child just has to choose what they would like each day. The menu can be found at the link below, and we also have photo prompts in nursery each day so children can choose.

[School lunch menu](#)

If you would prefer your child to have a packed lunch, please make sure they have any cutlery they may need, as well as a healthy drink (water is best). It would also be beneficial to put an ice pack in your child's packed lunch, as we do not have cold storage facilities in nursery. As with everything that comes to nursery, please make sure everything has a name on it!

If you have any questions, please just ask!

Miss Campbell finished today to begin her maternity leave. We are all going to miss her lots!

Green group will be looked after by Miss Menzies and Miss Hobson in the meantime, and any queries should be directed to them or Mrs Hunter in the first instance.

A-muigh a' sealg meanbh-bhiastagan! Sgoil-àraich have been busy finding and studying minibeasts this week.

Green group have been working hard on their literacy this week. They went on a letter hunt in the garden, went for a walk to find the letters in the environment, and tried building their names using letters. Lots of the boys and girls are also practicing every day by writing their own names on their artwork—well done!

Yellow group had lots of fun making and playing with playdough this week. They enjoyed helping to measure the ingredients, then carefully helped to mix it all together, taking turns. Then we made lots of shapes, and particularly enjoyed making wiggly worms, talking about shorter, longer, thicker and thinner.
