

Monday 21st June—Sports Day

We are having a day of sports and games on Monday. Please dress for running races and playing games outdoors.

It would also be great if children could have sun screen applied before arriving at nursery, and have sunhats and water bottles if required (with names!).

We will take lots of pictures for SeeSaw, and do a special edition of the Nursery News!

End of term

Please note that term ends on **Thursday 24th June at 12noon** for all children.

This will be the last edition of the weekly Nursery News for 2020/21. If you have comments or suggestions about how we can change or improve these newsletters next year please email Breadalbane@pkc.gov.uk - I welcome your feedback!

We wish our pre-school children they very best as they move on into P1, and look forward to welcoming everyone else back in August.

It has been a tough year for everyone, but the resilience shown by the children and families has been wonderful to see.

We now look forward to August, ready to face whatever challenges lie ahead after a relaxing and well-earned break.

Have a great holiday!

Mrs Hunter & the nursery team

18th June 2021

Green group have had a busy week. One windy day they wanted to make kites and fly them outside. It was tricky to make them fly!

We watched a performance by the Black watch pipes and drums with the whole primary. We even got to touch a piper's fluffy hat!

We were thinking about going to school, practicing our numbers and letters on the board in our mini classroom.

Blue and red group have been thinking about starting school this week. They have been looking at uniforms, book and other things they might use. We had a walk past the P1 classroom to see what the class looks like.

We had a chat about what they will need at school, things they are excited about and if they have any worries.
