Dear Parent/Carer

Mrs A Seward is returning from maternity leave in August and, along with Mrs A McLaren, will deliver the Reduced Class Contact Time throughout the primary. Mrs J Munro remains as our nurture teacher, although is only based at Breadalbane three days per week next session. Our Pupil Support Teacher, Mrs M Morton, is again based with us 2 days per week. Miss K Wallace, Principal Teacher, continues to have a remit of overseeing nursery as well as support for nursery and primary pupils.

In structuring the classes each session, we follow the guidance set by Perth and Kinross Council. As you may know this means we normally separate all the children in a year group into class groups based on their date of birth. For further information on the structuring of classes please see the guidance entitled 'Structuring Classes in Primary Schools in Perth and Kinross' which can be found on the school website.

The classes have been structured considering the pupils we currently have on our roll and those confirmed to be joining us next session. This does mean that should we have a number of pupils join us unexpectedly we may need to restructure the classes. In the event of this happening, we will notify you as soon as possible.

Please do not hesitate to contact me if you would like to discuss this or have any concerns.

Yours faithfully

V.L. Marshall
