Dear Parent/Carer,

I am writing to update you on a few matters.

### **Football Match**

Mr Devine has advised staff throughout the school that they can show pupils the Scotland vs Czech Republic match on Monday afternoon. As Scotland has not qualified for a male international football tournament for over 20 years, this is a significant cultural event for our country. When I announced in assembly that pupils could watch the match in school, the reaction leads me to believe that a significant number will enjoy watching this with their classmates! Those pupils who do not want to watch the match will have alternative activities to do. As part of the celebration, pupils are welcome to come into school on Monday wearing something Scottish.

### **Celebration of Success**

Our Celebration of Success event cannot take place in the usual format this year due to the covid mitigations in place. On Thursday prize winners from last year and this year will be presented their prizes and a video of photographs and speeches will be shared with parents afterwards. On Thursday we will also take the Primary One and Primary Seven year group photographs. Pupils are welcome to wear school uniform but they don't have to – the photographs will be a reflection of the unusual year we have had.

### **School Uniform**

As previously intimated, when pupils return to school in August, they are expected to wear school uniform.

The uniform for P1-3 pupils is:

- Blue school polo shirt
- Navy school sweatshirt or cardigan
- Black skirt or trousers
- Checked summer dress

The uniform for P4-7 pupils is:

- White school polo shirt or white shirt and school tie
- Black school sweatshirt or cardigan
- Black skirt or trousers
- Checked summer dress

Should you wish, polo shirts and jumpers with the school logo can be ordered from [www.grandtullylogos.com](http://www.grandtullylogos.com) School ties can be purchased via the school office.

Pupils will also require gym shoes suitable for wearing indoors and participating in PE.

**Driving in the Campus Grounds**

We have had a few reports of people driving through the Campus at speed. This is always a risk to pupils and campus users, but particularly at the start and end of the school day. This week we had a narrow miss when a vehicle came close to knocking down one of our primary pupils. To help keep everyone safe, please take great care when driving through the Campus.

Yours faithfully,

Vicky Marshall  
Primary DHT
