Dear Parent/Carer

Unfortunately, due to various Covid mitigations it will not be possible to follow our usual transition program for pupils entering P1. We were hoping to be able to have the children come into the primary, be in the P1 classrooms and meet the teachers but sadly this is not allowed, and our transition program needs to be entirely virtual.

Over the remaining three weeks of term there will be a number of things for you and your child to experience. There will be a video tour of the most relevant parts of school, an information evening and also videos of the class teachers (the P1 teacher and the P1-3 Gaelic Medium teacher). Some of the things we would typically do during the visits to P1, such as the pupils getting a tour of the school, will take place within the new term.

The information evening for parents will take place on Wednesday 16th June at 6pm. During the meeting you will hear more about school routines and what you should expect to happen in P1. Due to Covid mitigations the meeting will take place on teams and an invite will be emailed out to you nearer the time.

We are in the process of finalising which teachers are teaching which classes next session and I know that you will be keen to find out who will be teaching your child in P1. Once this is finalised you will be notified of who the teacher will be.

If you have any queries regarding your child transitioning into P1 then please don't hesitate to get in touch with me.

Yours faithfully

V.L. Marshall
