Dear Parent/Carer

Flu Immunisation Campaign October 5th and 6th 2021

The Scottish Government have extended this year's Flu Immunisation Campaign to include all Secondary pupils as well as Primary pupils. The Tayside Childhood Immunisation Team will be attending Breadalbane Academy on 5th and Friday 6th of October to vaccinate all pupils with consent against seasonal flu.

Consent forms will be sent home with primary and secondary pupils from Tuesday the 31st August. Please can these forms be completed and returned to school by Monday 13th of September. All forms must be completed regardless of whether consent is/is not given. The return of all forms allows the NHS to anticipate the correct number of vaccines required and to data record the vaccination uptake.

Below are two short links from NHS to inform your child of what will happen on the day of the immunisation. We would be grateful if you could share this with your child as this will help allay any fears on the day.

Immunisation and Vaccination - what happens when you get your flu vaccination.
