Dear Parent/Carer

Annual Consent Form

We have attached an **Annual Excursion Consent** form. It would be very helpful to the school – and hopefully convenient for you – if you could sign this annual consent form as confirmation you give permission in advance for your child to take part in activities locally, such as outdoor learning, and school trips further afield. By asking you to give your consent for these activities at now, we hope to reduce the administrative burden on both parents and staff. If you would rather not sign such an annual consent, please indicate this on your return.

Parents will be contacted in advance of school trips with fuller excursion details. This will provide a further opportunity to withdraw consent if you so wish.

If you could return your completed Annual Consent form to breadalbane@pkc.gov.uk, we will pass this on to your child's class teacher for collation.

Yours faithfully

School Office
