Dear Parent/Carer

Upcoming Road Closures – A827

We have been advised by Perth & Kinross Council that there are upcoming road closures planned on the A827 at Eastertyre and Pitnacree Bridge. The closure is planned to commence on Monday, 7 February 2022 and will be done in two phases, which could take up to 4 weeks.

The road is scheduled to be closed from 0930 to 1500 each weekday so school transport to Breadalbane should not be affected. However, if any issues arise during the works and there is any delay in the road re-opening, this may have an impact on transport getting to the school on time in the afternoons.

We sincerely hope that this will not be the case, but should school transport be significantly delayed, we will ensure that you are advised by Groupcall text message.

Yours faithfully

John Devine
Headteacher
