Dear Parent/Carer,

Under 22 Free Bus Travel

The Scottish Government has announced the introduction in January 2022 of free bus travel within Scotland for all children and young people aged 5 to 21.

Please complete and return the attached form to apply for your child's NEC card. Any parents who do not want the free travel element to be included or if your child has not had their NEC photo taken by the school can apply for their child's NEC card via the [Get Your NEC](#) website.

Parents of pupils aged 11 and over who may already have received a card for their child can get this updated to include the free travel element via [Get Your NEC](#). Any 11-year-old pupils who already have a card will also have to get a new card once they reach 12 years old, so they can access Young Scot discounts and have their Junior NEC converted to a Young Person's NEC.

Please see below link to guidance videos on You Tube that can help parents navigate the Get your Nec website:

If you have any further questions, please do not hesitate to contact us.

Yours faithfully
