

Nursery news

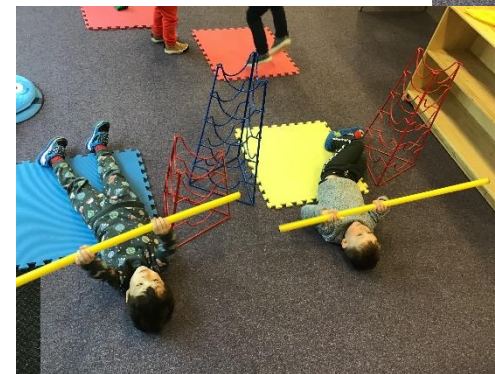

Space

There has been lots of talk about space and planets at nursery so this week we had lots of space themed experiences to learn about our solar system. We have watched videos, visited the library to find books on space and made our own telescopes!

Gross Motor Skills

We have been developing our gross motor skills in nursery using both indoors and outdoors to create obstacle courses.

Other Information

If anyone can still not access their Child's SeeSaw then please let a member of the nursery staff know.

Parent contact meetings are next week. Your child's key worker will be in touch to arrange a time that suits. Parent contacts will be done by phone call.
