Dear Parent/Carer

P7 Transition Programme

I am delighted to announce that a transition team for all P7 pupils has now been set up and we have posted a tour of the school there for all to view.

Covid mitigations are lifting, and we are planning towards a visit to the school and for our residential to Comrie Croft in May. We are aware that many of you may well continue to have concerns about covid transmission on a residential visit and I have therefore attached at the end of this letter a survey for you to complete so that we can ascertain which pupils will be taking part in the full event including staying over at night. Could you please complete the survey by 3:40pm on Friday 4th March.

To help you to make your decision you can view Comrie Croft on their website at <http://www.comriecroft.com/> our accommodation is the Farmhouse and the Steading. The rooms vary in size and are well ventilated. There are a small number of rooms which accommodate up to 8 people, but most take less than this. Double beds are mentioned on the website, but pupils will be sleeping in single beds or bunk beds. All our activities are outdoors and in the case of poor weather conditions we have access to a large airy barn. We book out the whole of this area so will not be in contact with other visitors to the site.

We recognise that a very small number of pupils may find an overnight stay challenging and, in these cases, we try to organise day attendance, but it is not possible for us to arrange this for the majority.

I look forward to hearing from you and I will be in touch again in the next few weeks with a further update.
