

Nursery news

Gross Motor - Sports

Making the most of the good weather we have been having our P.E lessons outside. This week we focussed on rugby. We have learnt how to throw and pass the ball and developing our catching skills.

Outdoor Learning

For outdoor learning this week the children worked in small groups to take pictures of their outdoor environment using Ipads. There were lots of amazing photographs taken!

Sgoil-àraich

The sgoil-àraich and P1-3 met this week to do some outdoor weaving in the orchard. This is a good opportunity for the children to play together and to hear other children using Gaelic. We learned some new words as part of the activity describing the movements we made – thairis agus fodha (over and under) and a-steach agus a-mach (in and out). The activity was rounded of with some running about in the rain.

Other Information

P1 transitions will continue every Wednesday morning between now and the end of term.
