Dear Parent/Carer

Outdoors Learning Day

On Monday all Breadalbane Academy pupils will have an Outdoors Day to learn about and appreciate the outdoor environment that surrounds us. Pupils should not wear school uniform but instead wear clothes suitable for outdoor activities. They should come dressed for the weather and with appropriate footwear. As pupils will be outside all day, if the weather is sunny pupils should come to school wearing sunscreen and bring more to reapply later in the day.

In the morning nursery and primary pupils are going on a walk around part of Urlar. As the walk will take most of the morning primary pupils should bring water and, if they wish, a snack. To help reduce the volume of single use plastics we are asking that pupils bring their own water bottle. As pupils will need to carry their belongings, they may wish to take a small bag. Nursery staff will take drinks and snacks for nursery pupils.

In the afternoon pupils will be undertaking various activities. Primary pupils will be spending the afternoon in their house groups rotating around different spaces including Natures Wood, the orchard, and sports pitches.

Yours faithfully

Mrs V Marshall
DHT Primary
