

Nursery news

Farming Fortnight

Over the next two weeks the nursery children will be taking part in Farming Fortnight. We will be doing different activities each day to learn about British farming and food production. We have incorporated this into our every day play and learning. We were also lucky enough to have two tractors come to the school to visit us! Thank you to Leona's Dad and Grandad for coming to visit!

Play in Pedagogy

This week's play has been focused on colours and paints. We have painted rocks and pallets to brighten up our nursery garden.

Other Information

P1 transitions will continue every Wednesday morning between now and the end of term.

The primary 1 lunch invitations will be going out this week. The lunch is on Wednesday 22nd June at 11:40am. The lunch slip needs to be returned either to the school office or to nursery staff by the 10th June.

As the weather is getting warmer can we ask that children are sent in with a labelled bottle of sunscreen and a sun hat to keep in their bags.
