

<p>Language and Literacy activities including:</p>  <ul style="list-style-type: none"> • Personal reading in class. Discuss and share favourite authors and genres of text. Present a book review to class to encourage a wider choice for personal reading. • Listening and talking in cooperative learning groups. Discuss 'what makes a good class' and use this to develop P6/7 class charter. • Establish spelling groups. Test Fry's common words and work on personal spelling word lists. • Write job application letters for our class company. Establish roles and responsibilities. Write to local businesses to ask if they will sell some of our bags. 		<p>Mathematics and Numeracy activities including:</p>  <ul style="list-style-type: none"> • Revision of number processes. Look at digits, their place value, reading, recording, sequencing, adding and subtracting numbers up to and beyond 6 digits. • Revision of estimation to help addition and subtraction in mental maths. • Establish maths routine. Establish procedures in class and clarify steps for challenge and support. • Practise and revise calculations using the four operations and be able to explain steps to a partner. Discuss and use BODMAS. Begin money topic to examine profit and loss as part of Enterprise project. • Introduce Problem Solving strategies and discuss the importance of 'showing all my working'. 	
<p>Health & Wellbeing activities including:</p> <ul style="list-style-type: none"> • Revisit school motto: Be Ready, Be Respectful, Be Safe. Play games to encourage praise, participation, group success and class success. • Teach roles, especially praise and encouragement. • As we start our Enterprise project, establish roles and responsibilities to enable everyone to feel part of a department and part of the whole class company. • Physical activities through PE sessions and outdoor learning / maintenance tasks in Nature's Wood. Focus on teamwork and responsibility. 		<p>Contexts for Learning:</p>  <p>This term and part of next term, P7 will be running <i>a Business Enterprise</i> project. Pupils will apply for jobs in departments: <i>Sales, Finance, Administration & Market Research, and Advertising</i>. We will take ownership of these roles and learn to use them in a real-life setting. P7 will appoint managers to their teams to ensure EVERYONE'S skills are used to facilitate the success of the business.</p> <p>We will be inviting <i>local business people</i> in to talk to the class and hope to draw expertise from the <u>parent community</u>. <i>Do you run a small or not-so-small business? We would love to hear from you about your skills and experience. Email Mrs Grant if you'd like to help.</i></p>
