

Nursery news

Tennis Taster Sessions

This week we had two tennis coaches come and visit us to give us a tennis taster session. This was great fun and we hope to continue this next term as part of our P.E timetable.

Nest building

Continuing with our learning on autumn we have been finding out about what animals need for the colder seasons. This week we went for a walk during our outdoor learning lesson to find natural materials to make nests.

Sgoil-àraich

Continuing with our learning on hedgehogs, we have been talking about other animals that we might see in Aberfeldy. Some of the children have been talking about owls, mice, deer and other woodland creatures. We have discussed their habitats and what they like to eat.

Sensory Play

Sensory play is part of our every day play within nursery. We use sand, water and playdough as part of our every day experiences. This week we have been changing our water play with different colour and smells encourage using descriptive language within play. We have used jelly crystals, paint, flowers and ice...
