Dear Parent/Carer

Parent Helper Update

Thank you for registering your interest in helping within the primary or nursery. Since sending an email asking for helpers, we now have volunteers from a range of classes offering to support activities on a regular or one-off basis. We are looking forward to utilising your expertise to add to pupil experiences. I have shared your name with class teachers and, if someone hasn't already been in touch, a staff member will contact you when they are looking for support.

For parents who are coming in on a regular basis, eg. frequently supporting outdoor learning or assisting with reading in class, we ask that you complete a PVG application as part of our safe-guarding procedures. You can collect a PVG application from reception. The completed forms should be returned to reception for the school to pay for processing. I am aware that some of you may already have a Perth and Kinross Council PVG because of your job, involvement in council run activities or because you were a volunteer pre-covid. If this applies to you, could you please emailing me confirming you have a PKC PVG and, if possible, include the number.

Should you be planning to support on an occasional basis, for example on a school trip or an outdoor learning session then you do not need to complete a PVG.

If you have any queries please don't hesitate to get in touch with me.

Yours faithfully

Mrs Marshall
DHT Primary
