Dear Parent/Carer

Validated Self-Evaluation Visit 24th/25th November - postponed

I write with reference to my letter of 12th November regarding the proposed Validated Self-Evaluation visit to our school by colleagues from Perth and Kinross Council on Thursday and Friday of this week. Unfortunately, in the context of the uncertainty over possible industrial action on Thursday, a decision has been taken to postpone this visit.

We are currently considering when this visit might now take place and will notify parents when a new date has been set.

Yours faithfully

John G Devine

Headteacher/Campus Leader
