

Nursery news

Australia Day

To celebrate Australia day, the library put on an event in the library where Libby read fun stories from Australia. We then made some crafts all based on the animals that you might find in Australia. Thank you to Libby and the library staff that put on such fun events that we can access.

Burn's Day

We celebrated Burn's day this week by learning about Robert Burn's. We had a haggis hunt around nursery, learnt some Scottish words through poetry and had a haggis, neeps and tatties for snack. With some oatcakes and shortbread. The shortbread was much more popular than the haggis.

Learning about our senses

We have been learning all about our different senses. We have had a sensory playdough, visited the music room and tried new foods. Our favourite sensory activity this week has been building dens out of different types of fabrics.

Other Information

- Can children please come prepared for the weather as we still go outdoors in all weather. A bag with waterproofs and wellies can be left on your child's peg.
- Can we remind parents to please encourage your child to not bring toys from home as this can cause upset if they are lost or broken.
