

Nursery news

Outdoor Learning

Outdoor learning this week has been at the orchard. We took the parachute with us to play some games and had fun using the balance beams to climb and balance. Outdoor learning for the rest of the term will be split between the orchard and nature's wood. If any parents would like to join us on any of our sessions, please let a member of staff know.

Ceilidh Dancing

Last Friday the Primary hosted a Ceilidh dancing event that the nursery were invited to. We joined in some of the dances and listened to some poems and songs.

Learning about our senses

We have still been learning about our sense this week and this week has all been about taste. Mrs Kelly showed us lots of different food that we could try. We had lemon, chocolate, pickled onions, and strawberries. We talked about the different tastes and which ones we liked best. We had some very mixed reviews on the olives!

Other Information

- Can children please come prepared for the weather as we still go outdoors in all weather. A bag with waterproofs and wellies can be left on your child's peg.
- Can we remind parents to please encourage your child to not bring toys from home as this can cause upset if they are lost or broken.
- Can all parents double check and take a note of their children's swimming dates. There have been some confusion of dates and as the staff work within a ratio during the swimming session, we cannot take more children. We also use a rota to ensure all children are getting a turn at swimming.
