Dear Parent/Carer

World Book Day Thursday 2nd March

It's that time of year again when we celebrate our love of books and reading. The theme for this year's World Book Day is Reading for Pleasure.

Dressing Up

This year we are thinking about being comfortable when we read so we are suggesting that children come to school in comfortable clothes or pyjamas/onesies. Alternatively, they may want to dress 'quirkily' with their sweatshirt/jumper on inside out or back to front for the day. This is so we can keep financial costs down and children can select clothing they have at home. If children come in pyjamas, then please remember they will still need to be warm to go out at breaks.

Book Tokens

The children will be choosing their free books from the selection on the WBD website. Some classes are visiting the Watermill to select their books. As in previous years school will put in an order for books and distribute them to classes who are not visiting the Watermill.

Competition

This year's competition is for primary pupils to design a new book cover for a brand-new book about themselves. It can be any type of book, but they must be the main character. They can invent a great title and write a short 'blurb' about the book. This should be done on A4 size paper. The competition for nursery pupils is to draw a character from a book. There are prizes for the best effort in each year group.

Yours faithfully

Mrs V Marshall
DHT Primary
