

# Nursery news

Week ending 21/04/23

## Bug hunting

With the weather getting nicer we are seeing lots more bugs in the nursery garden and during our outdoor learning sessions. There has been lot's of questions about different bugs and where they love so we decided to get some books from the library and see what we could learn. This has led to lots of different bug themed activities this week that you might notice around the nursery.

## Outdoor Learning

To tie in with our interest in bugs, this week's outdoor learning we went to the 'secret garden' to see if we had any visitors in our bug hotel. We found woodlouse, worms and millipedes.

## Outdoor Play

We have loved having such nice weather on the first week back. We have had lots of activities on offer both inside and out. We are still working on developing our nursery garden and we are involving the children as much as possible. We are still looking for some loose parts resources, there is a list of items we are looking for in the nursery foyer if anyone can help.

## Other Information

- The swimming lists will be put up each Friday for the upcoming weeks. Can parents please read the new information sheet. Parents are now asked to come and get their chid ready at 2:45pm as there has been a lot of late collections which has a knock on effect for staff that finish at 3pm.
- There is now a new lunch and snack menu. Both are on display in the nursery foyer.
- We are having our nursery parents afternoon next Friday 28<sup>th</sup> April. This is a chance for parents to come and have a chat with staff, see the nursery and have a look through floorbooks. Parents can arrive from 2pm onwards.
