Dear Parent /Carer

Higher Photography & Advanced Higher Art & Design Pupils

Your son/daughter is now in the process of producing their Higher Photography / Advanced Higher Art portfolio and is about to embark on the stage of creating their own personalised photography shoots.

Some pupils would benefit from being able to leave the school grounds during class time to explore the local area on foot to capture relevant imagery. This would involve the pupils signing out at the school office and then signing back in.

If you are happy for your child to leave the school grounds during class time, please email your consent to breadalbane@pkc.gov.uk.

Please contact me if you have any questions.

Yours faithfully

Mrs Yvonne Robertson
Principle Teacher of Art and Design
