Dear Parent /Carer

NPA Photography pupils

Your son/daughter is about to begin the process of working through their practical units of work for the NPA Photography course.

Pupils would benefit from being able to leave the school grounds during class time to explore the local area on foot to capture relevant imagery. This would involve pupils leaving the school grounds with their class teacher.

If you are happy for your child to leave the school grounds during class time, please email your consent to breadalbane@pkc.gov.uk.

Please contact me if you have any questions.

Yours faithfully

Mrs Yvonne Robertson
Principle Teacher of Art and Design
