

Highland Perthshire Learning Partnership

Courses offered through Schools/College Partnership and HPLP

You need to apply for Schools/College Partnership courses via the UHI Perth [website](#). This includes Highland Perthshire Learning Partnership courses. Your place is not confirmed until you have applied and received confirmation of your place from UHI Perth. Courses delivered through the Highland Perthshire Learning Partnership are in **blue**. Please note for Schools/College Partnership pupils will be required to make their own travel arrangements, **there is no funding available for this**.

Pupils and parents should be aware that some courses are timetabled for a full day which means young people will need to **catch up on any work they miss**.

NPA Sport & Fitness Outdoor Sport SCQF level 5

Min No. 16 applicants (S4/S5/S6)

Friday 10am – 4pm at PHS

This course is a National Progression Award and will be particularly interesting for anyone who is passionate about outdoor activities, such as climbing, kayaking, paddleboarding, canoeing, orienteering, mountain biking, hillwalking etc.

Higher Psychology SCQF level 6

Min No. 22 applicants (S6 only)

Online & potential for in person tutorials at PHS (depending on need and staffing available)

This course develops an understanding of the concepts, approaches, methods and applications of psychology. It will develop your ability to interpret, analyse and evaluate psychological theories, evidence and research methods in a critical way.

NQ Activity Tourism SCQF level 6

Min No. 16 applicants (S5/S6)

Friday 9am – 4pm at BA/PHS

The NQ Activity Tourism at SCQF level 6 is designed to introduce the exciting area of activity tourism. It allows you to explore several practical activity tourism activities and to understand what is required to provide these experiences for others. Activity Tourism ranges from activity-based adventure activities involving climbing, rafting, and mountaineering, to less physical, but still activity focused breaks of wildlife watching, nature or local heritage trails. Through exploring a range of enterprises and the activities they provide; you will learn about and develop several different skills and experiences which are necessary for employment in the sector.

Higher Childcare & Development SCQF level 6

Min No. 20 applicants (S6 only)

Online & potential for in person tutorials at PHS (depending on need and staffing available)

The Higher Childcare and Development relates to the care, learning and development of children pre-birth to aged 16. It is concerned with the roles and responsibilities of practitioners, other professionals and parents/carers in contributing to the development of children and young people. The course is delivered online via a Virtual Learning Environment
