

# Nursery news

Week commencing 19/02/24

## Learning about time

Following on from learning about the seasons, Miss Menzies has been teaching us about time. We are identifying numbers on the clock and going on clock hunts around the school. This is helping us learn about our daily routines.

## Jack and the Beanstalk

Our word aware book for this week has been “Jack and the Beanstalk.” Miss Crouch has put out lots of fun activities to help us to incorporate this in to our everyday play. We have been climbing on the beanstalk (indoor climbing frame), we have been making our own duplo beanstalks, and using loose parts to recreate the story.

## Outdoor play

We have enjoyed using some of the new nursery resources that we have had delivered from a Wishlist that staff and children created together. This week we have been using the parachute outside for group times.
