We would like to invite you to our Careers Event and Course Choice Information Evening which take place on **Tuesday 6th February from 2pm – 7pm.**

The Careers Event will run from **2pm - 4pm** and will follow an informal, drop-in format. With over 50 stalls for you and your son/daughter to move between, you will have the opportunity to ask questions relating to course choice and potential career pathways. Guidance staff will also be available to answer your course choice questions from **2pm - 5pm.**

At **5pm**, parents of S4 Pitlochry High School pupils are invited to attend a tour of Breadalbane Academy.

At **6pm**, parents of S3 - S5 Breadalbane Academy pupils and parents of S4 Pitlochry High School pupils are invited to attend a presentation in the Assembly Hall, providing an overview of the school curriculum, course choice process and supports available within it.

This event is being delivered with the support of over 50 of our partners, including employers, colleges and universities from all over the country (see the attached pdf for a full list of partners), alongside the Principal Teachers from all subject departments within our school.

We look forward to seeing you there.
