Making Potions

This week Miss Crouch put some magic ingredients in the tuff tray. We have all been making magic potions and creating spells with different coloured water and glitter. We have added different items to pour and squeeze to help develop our fine motor skills and hand strength.

Art – making treasure chests

Our art lesson with Miss Rocsik this week was making treasure chests. We decorated our chests with paint and lots of glitter. We look forward to hearing what treasures everyone puts in their treasure chests.

Outdoor learning

This week we have been learning to identify our 2D shapes. On Monday we went for a walk in the town on a shape hunt with Miss Crouch and Miss Rocsik. The group did a great job at finding shapes in the environment and could name most 2D shapes.
