Dear Parent/Carer

### **S3 Creative Thinking Research Walk – Thursday 21<sup>st</sup> March**

As part of Breadalbane Academy's Outdoor Education Programme, the S3 Creative Thinking class will participate in a walk through Aberfeldy town led by their class teacher. The purpose of the walk is to allow pupils to take photographs of unusual and obscure items they spot, as research for their Obscurities project.

The walk will take place with me on Thursday 21<sup>st</sup> March during their normal lesson time between 10.15am - 11am.

All pupils should be dressed appropriately for the activity. This includes comfortable boots/strong shoes/substantial trainers suitable for walking; comfortable socks; warm clothing and a waterproof jacket suitable for March in Highland Perthshire. Pupils will be able to store their bags in their classroom but should ensure they bring along any personal medication they require, such as inhalers.

On the day of the walk, it is essential pupils are on time for their lesson. If a pupil is late, they must sign in with the school office and report to a staff member in the Technical department. All pupils should remember that road safety is of paramount importance, not only for themselves but for the wellbeing of other road users. At the end of the walk, pupils will return to their classroom to collect their belongings before going to morning break.

This activity is covered by the Annual Consent Form completed at the beginning of the school year. If you have returned your form and require changes to be made, please contact the school office on 01887 822300 or by emailing [breadalbane@pkc.gov.uk](mailto:breadalbane@pkc.gov.uk).

Yours faithfully,

**Susan Rudie**  
**Teacher of Technical Education**
