Dear Parent / Carer

S1 Breadalbane Academy Physical Education Kit

We have been working hard in consultation with pupils across the school to design a PE kit that is suitable for everyone, and we are delighted to have had the opportunity to partner with Macron to develop this kit.

PE kit is an important part of the school uniform required by all pupils for participation in lessons, and this year we are pleased to provide parents with the opportunity to purchase one of the Breadalbane Academy PE t-shirts. School tops are priced as follows:

- Small: £15
- Medium/Large: £17

To make this easier for parents, we have purchased enough of the blue tops for our new S1 pupils that can then be bought directly from school using ParentPay. However, we fully understand that this is an additional cost for parents at a time they have purchased a whole new uniform for their young people starting secondary school. We are therefore offering parents the opportunity to pay what they feel they can afford for the tops by donating for as little or as much as they wish up to the full amount.

All pupils in S1 will receive their new PE top at the beginning of their first PE lesson.

In addition to this if you wish to purchase further Breadalbane Academy PE kit you can do so via the Macron Dundee Website: https://clubshop.macron.com/dundee/breadalbane-academy. Macron Dundee have created a club shop on their website which can be accessed from their homepage by going to club shops and then typing in Breadalbane Academy. There are 3 items which can be purchased include a T-shirt, Shorts and ¼ Zip Pull over top. Both the t-shirt and ¼ zip pull over top are branded with the school badge. It has been agreed that the pull over top can be worn as a school jumper as part of school uniform. All items are unisex and available in a range of sizes from 3XS to 5XL. In the department we have a few medium and large tops should pupils wish to try them before purchasing.

If you have any questions regarding purchasing this kit, please get in touch with the PE department by calling or emailing the school.

Yours faithfully

Mr Douglas
