Dear Parent/Carer

Bikeability – Level 1 Course

Following the successful Bikeability event that took place with P7s last week, we have been offered a further opportunity. Bikeability Scotland would like to run a Bikeability Level 1 course for P5 on Thursday 4th September.

Riders learn how to prepare for a journey, check their bike and equipment are safe, and develop control skills, good observations and decision making. They also learn the importance of sharing space responsibly with other people. While it is quite short notice, I think your children will benefit from partaking in the session. This will be on school grounds, within the playground.

We ask that children bring their bikes and helmets to school on Thursday morning. The bikes will be kept in the playground all day. Do not worry if your child does not have a bike and/or helmet as we will be able to provide those.

We will assume consent for your child to take part. If you do not wish your child to take part, please e-mail the office at Breadalbane@pkc.gov.uk.

Kind regards

Julie Thomson
