Dear Parent/Carer

Breadalbane Academy - Faculty Showcase Evening

I am delighted to invite you as prospective parents of Breadalbane Academy pupils (session 2026/27) to the faculty showcase evening on Wednesday 29th October from 5.00pm - 7.00pm. This invitation is extended to the prospective pupils also.

This special evening will give you the opportunity to meet our dedicated faculty members in a relaxed and welcoming setting, learn about the innovative teaching methods and programmes that we are implementing, along with gaining insight into the ways we are working to support your child's academic growth and personal development.

We will start the evening with a short presentation from Mrs Lambert our Headteacher, and members of the Senior Leadership Team. Parent Council representatives and support staff will also provide information at this time. Thereafter, you will be split into groups and taken on a tour of the school by our Senior Prefect Team. Faculties will give you demonstrations of what and how pupils learn in secondary school, with many of our S1 pupils involved in activities as you go round.

Please arrive via the main entrance and make your way to the Assembly Hall. There will be staff and prefects to direct you.

We really look forward to meeting you, and hope that you take advantage of this occasion to strengthen the home/school partnership that is so vital to your child's success here at Breadalbane Academy. To help us plan for this event, please confirm your attendance by sending an email to breadalbane@pkc.gov.uk by Friday 17th October 2025.

Yours faithfully

Craig Martin
Depute Headteacher (Support for Pupils)
