Dear Parent/Carer

NEC Event

Young people who are 5-21 years old living in Scotland get free bus travel. Once you have your National Entitlement Card (NEC) or Young Scot National Entitlement Card (Young Scot NEC) you can travel on most buses right across Scotland. An NEC card enables parents/carers and young people to save money on purchasing food, clothing as well as travel costs. For further details, please click here:

Home | National Entitlement Card.

On Wednesday 5th November, Breadalbane Academy will be hosting an in-school event to help pupils apply for an NEC card/add free bus travel to an existing card. This event is open to all pupils from P1 to S6 and parents do not need to attend. Colleagues from the PKC Concessionary Travel team will be coming along to take photographs of Secondary pupils, where required, and expedite the application process. To assist with this, please can you take 5 minutes to complete this online form:

https://forms.office.com/e/Q6qGQ5dzDa

If you have more than one child at Breadalbane Academy, please complete the form for each child (Primary/Secondary pupils only). The form will close on Wednesday 29th October 2025. Once the online form has been completed, a paper application form will be given to pupils. This should be completed, signed and returned to the School Office as soon as possible. A parental signature is required to enable free travel to be added to a card, therefore we will be unable to complete the application/add free travel without a completed and signed application form.

If you require any further details regarding this event, please don't hesitate to contact the School Office on 01887 822300 or email breadalbane@pkc.gov.uk.

Yours faithfully

School Office
