Dear Parent/Carer

**S1 Tracking Reports**

Pupil reports published today via ParentsPortal contain a summary from teachers on pupil performance, designed to give you an overview of how well your child is engaging and progressing in their learning at Breadalbane Academy. This report includes information on effort, behaviour and homework on a scale from 1 (excellent) to 4 (serious concerns), together with a Curriculum for Excellence level achieved.

**Level Achieved**

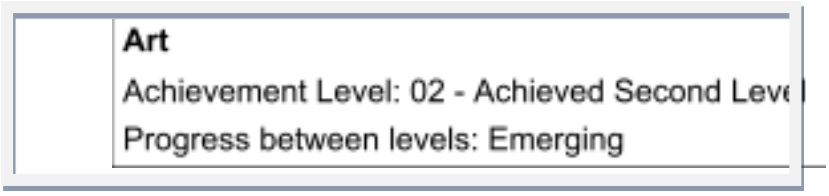
Schools in Perth and Kinross use a reporting module called 'Progress and Achievement'. The system requires teachers to report at the Curriculum for Excellence level that the young person has ***achieved*** rather than the level they are ***working at***. This means that a pupil working at level 3 will be shown as having achieved the level below i.e. level 2.

**Reporting on Progress within a Level**

Progress and Achievement will allow teachers to report on progress within a level. Based on professional judgements and evidence to date, pupils' progress within a level will be recorded using the descriptors ***emerging, enhancing and extending***. Descriptors of progress within a level are **included with this report.**

**Interpreting the Report**

In the example shown below for Art, the report indicates that a pupil has achieved level 2 and is working within level 3. In terms of progress within level 3 the pupil is described as *emerging*; the pupil is beginning to experience learning outcomes at the new level and engage with the level of challenge set out in the new learning experiences.



**S1 Parents' Evening**

You will have an opportunity to discuss this report and next steps with teachers during the parent / carer contact appointments on **Tuesday 18th November.** The booking system is still open for making appointments and will close at 10pm on Monday 17th November.

Should you wish to contact the school regarding this report, or if you require further explanation of levels and how they are recorded, please contact your child's guidance teacher at your convenience at breadalbane@pkc.gov.uk.
