Parents of children in P1-3G should also be aware that the class are taking part in a short scene in the school's wider Nativity where they, and the children from English mainstream, will sing a Gaelic song.

It is intended that our celebration with you on the morning of the 16th is the main opportunity for the children in GME to showcase, and celebrate with you, their learning through the medium of Gaelic. There will be 2 performances of the Nativity on the afternoon and evening of the 17th of December with details of how to obtain tickets in the school newsletter.

We look forward to seeing as many of you as possible on the 16th.

Le gach deagh-dhùrachd/ regards

Mrs Morton, Mrs Birt, Mr Poole and Mr O'Siadhail
