Dear Parent/Carer

S4-6 Tracking Report

Pupil reports published today via ParentsPortal contain a summary from teachers on performance for senior phase pupils. This report is designed to provide you with information on progress in all subject areas being studied. Within this report you will find ratings for effort, behaviour and homework engagement, in addition to **target grades and working grades**.

- **What is a target grade?**

Target Grades are based on **prior subject attainment** where possible and are discussed with pupils. Target Grades are set to be **challenging and achievable.** Target Grades will be fixed and remain unchanged until prelim exams.

- **What is a working grade?**

Working Grades are based on **professional judgement of attainment**. Working Grades and based on evidence and are a **prediction of final attainment** on a course. Working Grades are not a snapshot of performance in one assessment at a particular point in time, e.g. prelim, unit assessment, but are rather a holistic judgement based on all knowledge of the pupil to date. Working Grades may fluctuate throughout the academic session based on progress in courses, skills developed, coursework completion and impact of intervention strategies.
Please refer to the following descriptors for target grade and working grade boundaries:

LEVEL	BAND / GRADE
National 3 / 4, Skills for Work, National Progression Awards, Freestanding Units	**6** = pass **9** = fail / possible level change required
National 5 / Higher / Advanced Higher	**1 or 2** = A **3 or 4** = B **5 or 6** = C **7** = D **8** = borderline fail **9** = fail / possible level change required

- **UHI Perth School College Partnership Courses**

Please note that if your child is currently undertaking a course as part of the UHI Perth School College Partnership (including online courses), **a report on progress was issued via email on 10th November 2025.** The reporting schedule for these PKC wide courses does not fully align with the schedule for our school. A further report will be issued by UHI Perth in Term 3.

- **Senior Parent Contact Evening**

The booking system for senior parent contact evenings on Thursday 4th December and Tuesday 9th December is open. This will provide an opportunity for you to discuss this tracking report with subject teachers.

Please note that in a small number of cases, some data / information could be incomplete or inaccurate due to low attendance to classes. Should you wish to contact the school regarding this report, or any other matter please contact your child's guidance teacher at your convenience at breadalbane@pkc.gov.uk.
