Class: GME 1-7 Term Plan Term: 3

Literacy:

- Across P1-7 we will be learning how to tell and write journey stories, including how to use conjunctions effectively.
- P1 will continue to cement their single phonic sounds and learn new blended sounds. They will learn how to read some common Gaelic words and simple sentences.
- P2 and 3 will continue to learn new blended sounds and how to use these to spell common words.
- In P4-7 we will learn some common spelling rules in Gaelic and apply these in our writing.

Numeracy:

- This term we will focus on Money and Subtraction
- P1 will learn how to recognise coins to £2 and, through play, will learn to buy and sell and give change. They will also learn how to subtract numbers to 10.
- P2 and 3 will learn how to use different coins and notes to make different values and will learn how to work out change to £5. They will also learn to subtract to 100.
- P4-7 will continue to build their skills in using different coins and notes to make different values and to work out change. They will develop their understanding of budgeting, profit and loss.
- P4-7 will develop their skills using chimney sums to work out subtraction using 100s, 1000s and 1000,000s

Health & Wellbeing:

- In Health and Wellbeing all children will be learning about values and how our values influence our behaviour.
- In PE, P1-3 will learn about staying fit. They will learn gymnastics and play target games.
- In PE, P4-7 will also focus on fitness and will learn to play badminton and go swimming.
- The whole class will also continue to learn different skills to look after their mental wellbeing through mindfulness and yoga.

Contexts for Learning:

Our context for learning this term is 'The Living World'. The children will learn to identify and describe key features of living things, including by looking at the anatomy of human beings and other living creatures.

They will learn about evolution and genetics also.

Other Events:

- HMIe inspection week of 26 January
- Burns event with parents week of 2 February
- Outdoor learning each Tuesday
