Dear Parent /Carer

Visit to Stewart Tower Dairy

On Tuesday 10 February, your child will be visiting Stewart Tower Dairy for a farm visit. This is part of our "farm to fork" enterprise topic which runs in collaboration with Stewart Tower Dairy and the Royal Highland Education trust.

We will leave school at 9am and return by lunch time. It is expectation that pupils attending the trip do so in school uniform. Pupils should remember to wear sensible shoes preferably wellies or boots as they will have to walk through a foot sanitiser bath. Pupils should also bring a warm jacket with them as the visit will be outdoors.

There is no cost involved, and the trip is covered by the annual excursion permission form.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Miss Campbell
Principal Teacher of Home Economics
