Dear Parent /Carer

S3 Home Economics Taymouth Castle Visit

On either Thursday 29th & Friday 30th January, your child will be visiting Taymouth Castle for a tour of their facilities and meet and greet with staff. This is part of a new Developing the Young Workforce (DYW) partnership we are introducing in S3 Home Economics. During the visit pupils will work with the Taymouth team to plan a practical session later in the year which will take place in school.

We will leave school at 9am and return by 10.30am during your child's usual timetabled class. It is expectation that pupils attending the trip do so in full school uniform. Pupils should remember to wear sensible shoes and bring a warm jacket as some parts of the tour may be outside.

There is no cost involved, and the trip is covered by the annual excursion permission form.

If you have any queries, please do not hesitate to contact me.

Yours faithfully,

Miss Campbell
Principal Teacher of Home Economics
