1 May 2026

Dear Families of Breadalbane Academy and Pitlochry High School

We are pleased to share an exciting development in how we are working together across Highland Perthshire to provide a rich, coherent and high-quality curriculum for all our young people.

Through closer collaboration between Breadalbane Academy and Pitlochry High School, we are strengthening the breadth of opportunities available to learners, while ensuring a seamless and consistent educational experience across both school communities. By sharing staff expertise and coordinating our approaches, we are able to enhance subject choice, sustain high-quality learning and teaching, and better meet the needs and aspirations of all pupils.

As part of this collaboration, for next session:

- **Mr Leck (Pitlochry High School)** will deliver **Higher Chemistry**
- **Mr Stewart (Pitlochry High School)** will deliver **Higher Computing**

Breadalbane Academy colleagues will support Pitlochry High School with:

- **Social Subjects** – supported by **Mrs Scott and Mr Woodrow**
- **Science** – supported by **Mrs Rattray**

This sharing of expertise allows us to maintain strong senior phase pathways and ensures that learners in both schools can access a wider range of subjects at an appropriate level.

Importantly, this is just the beginning. Over the coming years, we will continue to build on this partnership— developing further opportunities for collaboration, expanding subject provision, and deepening the connections between our schools. Our shared ambition is to create a sustainable, forward-looking model that supports excellence and equity for every young person in Highland Perthshire.

We are confident that this approach will bring real benefits to our learners, and we look forward to continuing to work closely with you as we move forward together.

Contd

Further details, where applicable with relation to transport arrangements will be shared prior to the commencement of the new timetable on the 1 June 2026.

Thank you for your ongoing support.

Yours faithfully

Mrs Lambert and Mrs Liney
