Dear Parent/Guardian

NC Activity Tourism Course – Level 6

As part of the **NC Activity Tourism course**, pupils are required to participate in a range of outdoor activities throughout the year. These activities will include both adventurous pursuits and lower-risk outdoor experiences designed to develop practical skills, confidence, and an understanding of the outdoor environment. Participation in all activities is critical to enable pupils to pass this course.

This year, pupils will spend **five days with Beyond Adventure**, taking part in a variety of land-based and water-based activities. During these sessions, pupils will also work towards a basic paddle sports qualification.

Later in the year, pupils will undertake walks in the local area as they develop their navigation and route-planning skills.
A range of other activities may also take place throughout the course, some of which will involve pupils leaving the school grounds.

Most activities will take place on **Tuesdays** during the school day. Wherever possible, activities will be scheduled during Activity Tourism class time. However, some activities may require pupils to be out of school for a half day or full day. If pupils miss lessons as a result, opportunities will be provided for them to catch up on missed work. Pupils should also make use of their non-contact time to ensure they remain up to date with their studies.

The annual consent form covers all planned course activities. However, if any of your child's circumstances change, please inform the school as soon as possible.

First Activity

Our first activity will take place on **Monday 7th September** with **Beyond Adventure for the full day.**

Pupils will be taking part in **water-based activities** and should bring:

- A full change of clothes
- A towel
- A packed lunch

Pupils will be informed in advance of each week's activity so that they can bring the appropriate clothing and equipment. Activity information will also be posted on **Microsoft Teams**. We will not be sending weekly reminders home.

If you have any questions or concerns, please do not hesitate to get in touch.

Yours Sincerely

Mr Douglas
PT PE and Outdoor Learning
