Dear Parent/Carer

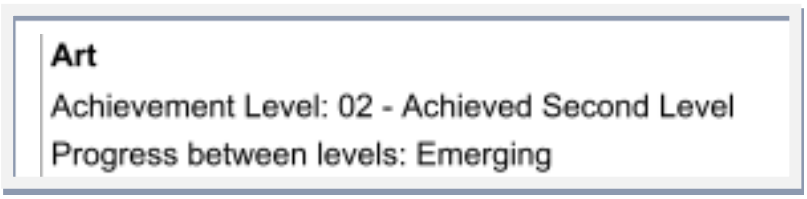
S3 Reports

Pupil reports published today via ParentsPortal contain a tracking summary from teachers on pupil performance, designed to give you an overview of how well your child is engaging and progressing through their chosen S3 subjects at Breadalbane Academy. This report includes information on effort, behaviour and homework on a scale from 1 (excellent) to 4 (serious concerns), together with a Curriculum for Excellence **level achieved** for the Core Subjects they opted for this session. This report reflects progress since the start of new timetable in June 2026. However, please note that the attendance rate included in this report is based on attendance since the start of the new term in August 2026.

Level Achieved
Schools in Perth and Kinross use a reporting module called 'Progress and Achievement'. The system requires teachers to report at the Curriculum for Excellence level that the young person has ***achieved*** rather than the level they are ***working at***. This means that a pupil working within 3rd level will be shown as having achieved the level below i.e. 2nd level.

Reporting on Progress within a Level
Progress and Achievement allows teachers to report on progress within a level. Based on professional judgements and evidence to date, pupils' progress within a level will be recorded using the descriptors ***emerging, enhancing and extending***. Descriptors of progress within a level are **included with this report.**

Interpreting the Report
In the example shown below for Art, the report indicates that a pupil has achieved 2nd level and is working within 3rd level. In terms of progress within 3rd level, the pupil is described as *emerging*; the pupil is beginning to experience learning outcomes at the new level and engage with the level of challenge set out in the new learning experiences.



S3 Tracking Reports and Parents' Evening
You will receive a further tracking report on Monday 1st February 2027. You will also have an opportunity to discuss these reports and next steps (including course choice) with teachers during the parents' evening on Tuesday 2nd February 2027.

Please note that some pupils' reports may be incomplete e.g. no ratings or updated level. This could be due to different factors, such as being new to school or having very low attendance. Should you wish to contact the school regarding this report, or if you require further explanation of levels and how they are recorded, please contact your child's guidance teacher at your convenience at breadalbane@pkc.gov.uk.
